

Littles and College Bigs team up at Field Days

The rain didn't dampen the spirits at the WPI field day in April. Over 100 volunteers from the WPI men's and women's basketball teams, men's crew, softball, track and field teams, as well as a number of sorority and fraternity members spent the afternoon with their Littles. The college Bigs entertained their Littles, who attend Belmont Community, Elm Park Community and Wawecus schools, by playing sports, making crafts in the gym, and munching on pizza and snacks.

Special thanks to Coach Chris Bartley for helping organize the event.

At Holy Cross, close to 200 volunteers from SPUD, the Lacrosse team (John's Brothers), women's soccer, cheerleading, the football team, and students in the deaf studies program joined their Littles from Boys and Girls Clubs at Great Brook Valley, Plumley Village, Tainter Street, as well as the Canterbury Street School, Quinsigamond School and Sullivan Middle School for Field Day in May. After their campus tours, the matches indulged in face painting, cookie decorating, crafts, field day races, and a water balloon toss. Everyone was treated to pizza and drinks for an afternoon snack.

Special thanks to coach Adam Pascal for organizing fields, the lacrosse and football teams for putting together the field games, and the deaf studies program for providing the cookie decorating.
